

Create IBM Watson Assistant Services:

The screenshot shows the 'Create your first assistant' page in the IBM Watson Assistant console. The browser tabs include IBM, WhatsApp, and the IBM Watson Assistant service page. The URL is us-south.assistant.watson.cloud.ibm.com/overview?region=us-south&assistant=us-south-2f8b557963b4148b0bf0b35cd6978646a3a58c3a2cb-73e7-4e3a-9b60.... The page has a 'Welcome to the new Watson Assistant' header with a 'Next' button. Below the header are tabs for 'Create', 'Personalize', 'Customize', and 'Preview'. The 'Create' tab is active, showing instructions to name the assistant, add a description, and choose a language. The form includes an 'Assistant name' field with 'Banking bot', a 'Description (optional)' field, and an 'Assistant language' dropdown set to 'English (US)'. A 'Next' button is in the top right corner.

Welcome to the new Watson Assistant

Create Personalize Customize Preview

Create your first assistant

Let's get your assistant up and running. Name your assistant, add a description, and choose a language. In following steps we'll gather more information, show you basic customizations, and give you a preview of what your assistant will look like.

Assistant name

Banking bot

Your assistant name will be kept internally and not visible to your customers

Description (optional) 0/120

Add a description for this assistant

Assistant language

English (US)

This is the language your assistant will speak.

The screenshot shows the 'Personalize your assistant' page in the IBM Watson Assistant console. The browser tabs include IBM, WhatsApp, and the IBM Watson Assistant service page. The URL is the same as the previous screenshot. The page has a 'Welcome to the new Watson Assistant' header with 'Back' and 'Next' buttons. Below the header are tabs for 'Create', 'Personalize', 'Customize', and 'Preview'. The 'Personalize' tab is active, showing instructions to tell where the assistant will live, tell about yourself, and choose a statement that describes your needs best. The form includes a 'Where do you plan on deploying your assistant?' dropdown set to 'Web', a 'Which industry do you work in?' dropdown set to 'Banking and financial services', a 'What is your role on the team building the assistant?' dropdown set to 'Developer', and a 'Which statement describes your needs best?' dropdown set to 'I'm using Watson Assistant to complete a course or certification'. A preview window on the right shows a chat interface with a 'Watson Assistant' header and a conversation about 'Speed Demons'.

Personalize your assistant

Tell us where your assistant will live

We will create your first channel integration for you, which will be visible on your dashboard. You can always add more or change later.

Where do you plan on deploying your assistant?

Web

Tell us about yourself

This information will be used to personalize your onboarding experience.

Which industry do you work in?

Banking and financial services

What is your role on the team building the assistant?

Developer

Which statement describes your needs best?

I'm using Watson Assistant to complete a course or certification

This is what your customers will experience

Watson Assistant

Do you have the Speed Demons in stock?

The Speed Demons are in stock at our Downtown and Northgate locations, which are both within five miles of you.

What size and color do you need?

I'm looking for a size nine in white

Great news! The Speed Demons are available in white in a size 9.

You can purchase them for curbside pick up or we can ship them to you. Which would you prefer?

I'll pick them up! Ship them to me, please!
