

## Creating Current Account Action:

The screenshot displays the IBM Watson Assistant configuration interface in a web browser. The browser's address bar shows the URL: `us-south.assistant.watson.cloud.ibm.com/overview?region=us-south&apikey=...`. The interface is divided into several sections:

- Index:** Located on the left, it shows the 'Customer starts with:' section and a list of 'Conversation steps'. Step 1 is 'How can I help you?' with sub-steps 'Current Account...' and 'Netbanking...'. Step 2 is 'This step has no content'.
- Step 2 is taken:** This section is active, showing a dropdown menu set to 'with conditions'. Below it, the 'Conditions' section shows a single condition: 'If All of this is true: 1. How can I help yo... is Current Account'. There is an 'Add condition +' button and a 'New condition group +' button.
- Assistant says:** This section contains a text area with the placeholder text 'For example: What type of transfer would you like to make?'. Below the text area is a dropdown menu labeled 'Define customer response'.
- Buttons:** At the bottom right, there is a 'Preview' button with a play icon. At the bottom left, there is a 'New step' button.
